Milling and resurfacing of West Hendry Street

The City of Hinesville in partnership with the Georgia Department of Transportation (GDOT) will be resurfacing West Hendry Street between South Main Street and General Screven Way. West Hendry Street is being resurfaced along with the following eleven (11) other streets:

- | | |
|------------------|----------------------|
| ➤ Dover Lane | North Brickyard Lane |
| ➤ Sharon Street | Oakview Street |
| ➤ Elaine Street | School House Road |
| ➤ Mortar Place | Ricade Drive |
| ➤ Hickory Street | Link Street |
| ➤ Pinafore Lane | |

In preparation of the resurfacing of West Hendry Street the City will mill West Hendry Street. The milling operation will require road closure and is expected to take place between **8:00** P.M., on May 13th and **8:00** A.M., on May 14th. Resurfacing of the roadway will follow within a few days but will not require road closure. The paving contractor will manage traffic control during the installation of the final asphalt course. **Every effort will be made to keep traffic flowing.**
