

PUBLIC NOTICE

The City of Hinesville has initiated a study to determine if special standards and ordinances are needed to address future development along the Veterans Parkway Corridor from Oglethorpe Highway to Fort Stewart. The first public meeting will present the project and listen to the ideas of the public and property owners to help guide drafting of standards and ordinances if needed. Please take part in helping us to make your vision for Veterans Parkway a reality.

Workshop on Visioning: Tuesday May 28, 2013 at 5:30 PM

Hinesville City Hall, 115 East ML King Jr. Drive in Hinesville

Please contact Rachel Hatcher at 912-408-2036 or via email at rhatcher@thelcpc.org with questions.
